

**Title/Position:** Field Examiner

We invite you to explore the outstanding culture, people, rewards and opportunities that make Bluewater so unique.

**Position Responsibilities:**

- Perform independent field examinations of commercial asset-based loans to verify existence, valuation, and reporting of collateral compliant with customer credit policies, prescribed guidelines, and appropriateness for the respective Borrower's industry.
- Initiate communication and escalation of significant exam findings or suspected fraudulent activity to facilitate timely resolution.
- Provide to the lender recommendations for improvement to communicate to Borrower.

**Requirements:**

- Professionalism
- Excellent presentation and planning skills
- Creativity
- Bachelor Degree (preferably in accounting, finance, economics or related field)
- Ability to spot flaws in logic and irregular patterns
- Willingness to travel nationwide (up to 75% of the time)
- Working from various remote locations or from home (visit the Michigan office from time to time)
- Ability to work independently
- First class communication, writing and organizational skills
- Receptive to training and learning
- Basic computer skills/proficiency in Microsoft Word and Excel

**Bluewater** is an equal opportunity employer. In return for your contributions, Bluewater promotes an appropriate life/work balance and offers attractive compensation, bonuses and benefits as well as managed time off.
