Who We Are

Who We Are Lender Analytics References

Launched in 2001 by Robert Bowles as a modest, spare bedroom collateral evaluation firms, our very first customer is still with us today. With that same dedication to integrity, we now serve international, national, and regional commercial borrowers and lenders.

In recent years, Bluewater has focused its expertise in relieving the angst of high-risk, high-profile transactions. We understand the real-time data, clearly articulated, is just as critical to our clients as a reliable bottom line calculation.
